2 Game

Instruction:

- ① Choose one student to walk around the circle and tap on every sitting student.
- ② With each tap, the student repeats a word. He/she may decide to say a different word in a random tap.
- ③ The student who receives the different word has to get up and chase after him/her.

3 Monster

Monster is coming! Look at the monster, find out which part of it resembles dog/cat/sheep/horse, circle and match.

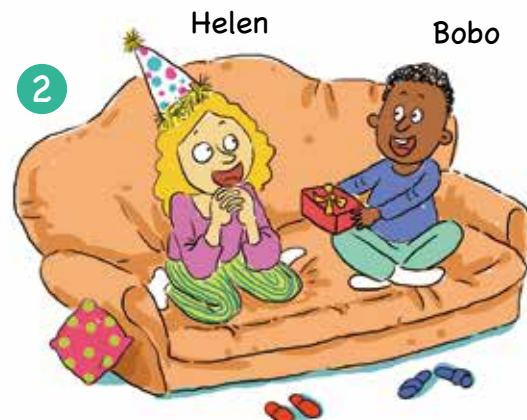

Talk about the answer.
